New Scrapbook

In addition to the great Scrapbook being maintained by the Chapter's Historian John Titus, we now have a Scrapbook depicting the Chapter's efforts in placing a monument in the Warrenton City Cemetery commemorating the service of Revolutionary War Patriot Captain David **Bushnell**. Captain Bushnell was the inventor of the submarine, "**The Turtle**". This new addition was prepared by Alice and David Noble along with Terry Manning. Be sure to thank them. Both scrapbooks are available for your review at each of our meetings.

Patriots in Georgia Revolutionary War Engagements 1776-1782

Our book is now in the Library of Congress.

The proceeds from the book to the Atlanta Chapter are approximately \$15,000. To put that into perspective, our Chapter would normally have less than \$1,000 per year available to fund the types of projects that these proceeds will fund. This is a monumental opportunity that David and Richard have made available to our Chapter and to the preservation of the 42 known battle sites in Georgia. Members are encouraged to purchase a book for personal use or as a donation to a library or other organization. Out of 300 books the chapter has distributed two thirds of the books. **There are less than 85 books remaining.**

The Chapter has set a goal to get copies of this book into as many libraries and research facilities in Georgia and across the nation as possible. To achieve this, we are encouraging the purchase and donation of books. All net proceeds from the sale of the book will be used to preserve and support research Georgia Revolutionary War battle sites. Additional information about the book, including purchase and donation options, can be obtained at: www.saratlanta.org

Some locations in Georgia that do not have a copy of the book are:

Dougherty County (Albany), Washington County (Sandersville), Gwinnett County, Laurens County (Dublin), Ware County (Waycross), Hart County (Hartwell), Coffee County (Douglas), Henry County (McDonough), Houston County (Perry), Lowndes County (Valdosta) and Oglethorpe University. If you are interested in purchasing a book for a library in one of these locations please contact Richard Marsh. This is not a comprehensive list of the locations without books.

2018 Dues

You should have received a notice for your 2018 dues. If not please check with Richard Marsh.

You may include a donation of \$25 to Friends of the Library along with your dues.

In October 2010, the NSSAR Library began operations in its new facility on West Main Street in Louisville's historic Museum District. The primary focal point of the collections is the Revolutionary War era but the collection includes other materials of a genealogical nature. To date, the library collection has grown to over 55,000 items and includes family histories, local, county and state records and genealogy materials, and access to the online databases of Ancestry, Heritage Quest, Fold3, and the New England Historical and Genealogical Society.

The Library's growth depends upon cash gifts as well as donations of family genealogies, Revolutionary War histories, county and state histories, and other books and items of genealogical content.

The SAR Library is a non-circulating, reference facility only. It is open free of charge to SAR, DAR, SR, and C.A.R. members, and spouses of SAR members, at any time and to the public for a fee of five dollars per day. **The Friends of**

the SAR Library (FOL) was organized to assist the SAR Library in implementing its collection development objectives. These objectives include those books, manuscripts, microforms, and online services as needed to enhance and expand the current collection.

A nominating committee has been formed to nominate a slate of officers for 2018. The committee consist of the following members: **Al Adams (chairman)**, **Terry Manning** and **Ed Floyd**. If you would like to be considered for an office please contact one of these members.

Veterans Respect Activities

The role of the Veterans Respect Committee is to pursue opportunities to honor and recognize current service members and veterans of past service. A wide range of activities fall under this charge. Some examples are:

- hours served in the VA Hospital (VAH) Volunteer Service,
- visiting a veteran in a VAH, nursing home or private home,
- donating personal care items to a VAH or nursing home serving veterans,
- donating publications to a VAH,
- organizing an outing for one or more veterans,
- participating in a veteran's funeral as a participant, pallbearer, or attendee,
- attendance at Revolutionary War Veteran's Grave Marking,
- participating in placing flags or wreaths on veteran's graves.

We are aware that many of our Atlanta Chapter members have been involved in such activities, but do not know the extent. We would like to gather information on such efforts. If you have been involved in any such activities since January 1, 2017, please report the details to our President Henry Cobb ([404-664-8204/ whc2gt@yahoo.com](mailto:whc2gt@yahoo.com)) or our Historian John Titus ([678-995-0874/mojotitus@bellsouth.net](mailto:mojotitus@bellsouth.net)).

Contributions to SAR Programs

Contributions made by our members to SAR programs such as **Youth Program Endowment Funds, Public Service Program Endowment Funds, Center for Advancing America's Heritage, George Washington Endowment Fund, SAR Foundation, Friends of the Library, the Mount Vernon Ladies' Association or the USO** count toward the Americanism Points for our Chapter. If you would like to have your contributions counted as part of our Chapter please let **Henry Cobb** know that you have made the contribution, or give the check to Henry so that he can forward it to National. There is no requirement that our Chapter receive credit, so do not feel obligated to let the Chapter know. The contribution is the important part. The chapter receiving credit is a very secondary benefit.

Mentor Program

The National Society is encouraging chapters to implement a mentor program for new members. Assuming the new member has at least some interest in learning about the S.A.R. (some don't) and his chapter, the focus should be on the neophyte's education and interest. This refers to insuring the new member receives information regarding the S.A.R. in general and the chapter in particular, and is able to spark some interest in the new member remaining active and even becoming involved in the chapter. Therefore, the mentor must have sufficient knowledge regarding both the S.A.R. and the chapter along with a good degree of both communication skills and empathy to be effective. He should endeavor to become a friend, if he is not already, of the new member and tailor his guidance to the member's desire to learn and be involved. The mentor should presume the new member is interested and wants to be a part of the chapter.

Please let chapter President Henry Cobb know of your interest in taking on this role in our chapter.

To date Henry Cobb and Al Adams have agreed to serve as mentors to new members.

Member Help

Remember to Work on Your Supplemental Applications

In addition to the original application for membership into SAR, members are encouraged to find additional **Revolutionary Soldiers and Patriots** in their family tree and to make a **Supplemental Membership Application** so as to have the Patriot or Soldier added to their record. **Henry Cobb** will endeavor to be available to answer your questions concerning a Supplement, and he will guide you through the process of filing the application.

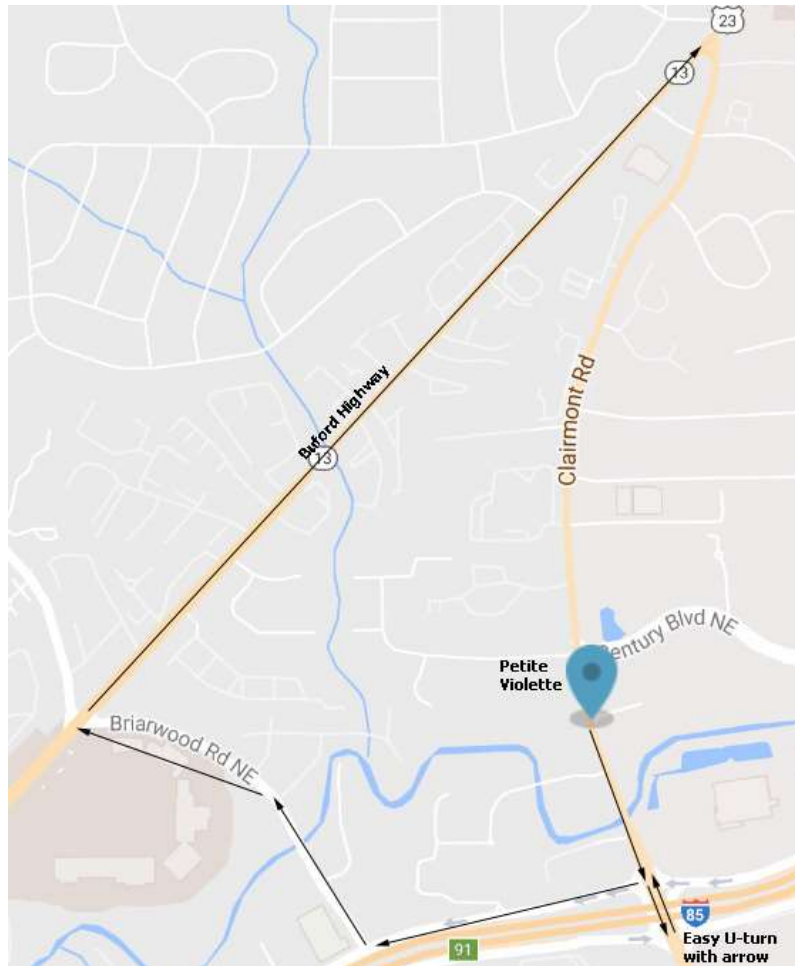

Parking

Some members have asked about parking at Petite Violette. They provide valet parking and there is some parking available at the office building next door at 2948 Clairmont Rd. Below is a photo of the path from this parking area at the first Visitor Parking sign to the restaurant.

Have you had a difficult time leaving Petite Violette to go back North on Clairmont Rd? If so here are a couple of potential solutions (see map below):

- 1) Exit to the right and get into the far-left lane as though you were going to get onto I-85 North, instead make a U-turn under I-85 on Clairmont.
- 2) Exit to the right and turn right as though you were going to I-85 South, stay in the far-right lane on the frontage road and then turn right onto Briarwood Road between the Life Storage building and REI. This will take you to Buford Highway where you can turn right which will take you back to Clairmont Rd.
