250th during Summer Break

Atlanta Chapter Compatriots continued celebrating the 250th Anniversary of the American Revolution during our summer break following the NSSAR Congress.

Atlanta Compatriot Paul Anderson, below right, and his brother, Georgia Society Chaplain Reverend Edward M. Anderson, far left, attended the Anderson Family Reunion in Charlotte, North Carolina. During the reunion, Reverend Anderson had the distinct honor of inducting his son, Edward Moses Anderson Jr., left, who resides in New Jersey, as the newest member of the Atlanta Chapter SAR. Edward’s membership is based upon his Revolutionary War lineage through Captain Walter Hanson, who served in the 12th Battalion of the Charles County, Maryland Militia. The Atlanta Chapter proudly welcomes Compatriot Edward Moses Anderson Jr. to the Sons of the American Revolution.

During the summer break, four additional Compatriots were approved by NSSAR for membership, and the Atlanta Chapter looks forward to their upcoming inductions as we continue to strengthen our membership and carry forward the legacy of those who secured American independence.

Atlanta Chapter Historian Ken Thomas served as the featured program speaker for the Cobb County Genealogical Society in July, presenting a program on Revolutionary War pensions and the valuable genealogical records they provide.

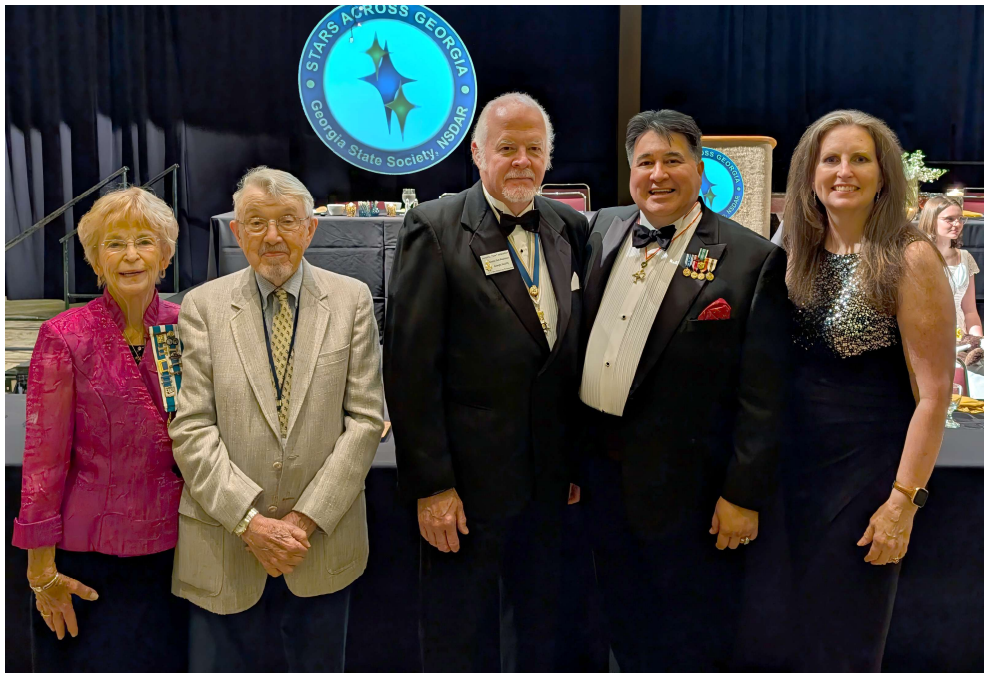

Atlanta Chapter Chaplain John Titus also carried the story of America’s founding to the community with his presentation on the Declaration of Independence. He presented the program to two separate groups—the residents of The Mansions, a senior living community in Sandy Springs, and a gathering at Gwinnett Park, Georgia. (Continued)

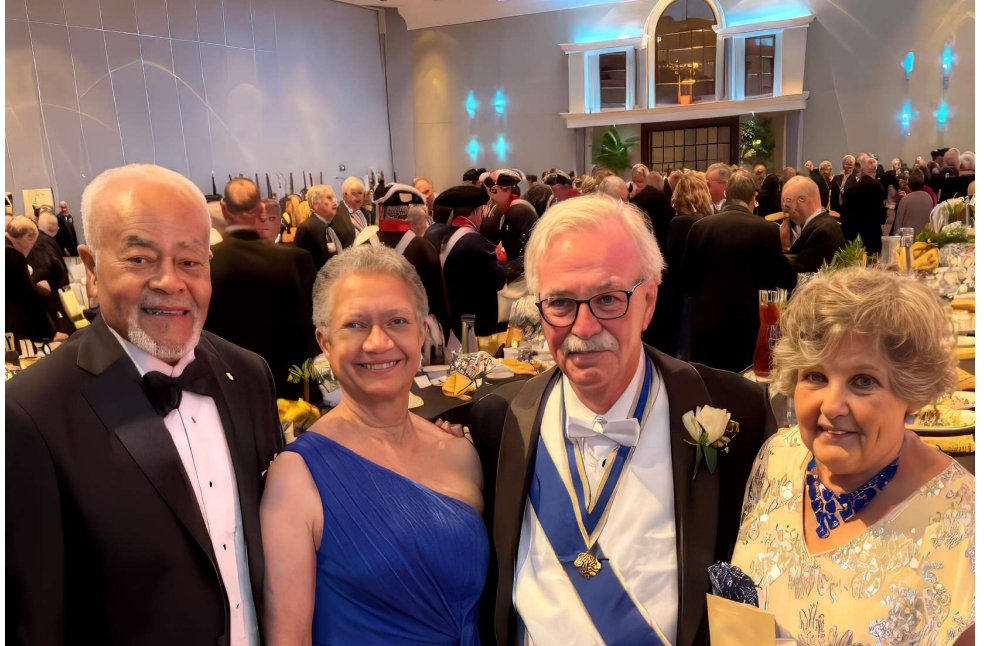

Through programs such as these, our Compatriots continue the important mission of educating others about the sacrifices, principles, and ideals upon which our Nation was founded. On August 15th, Georgia Society Chaplain Reverend Edward M. Anderson traveled to Toccoa, Georgia, for the certification of the John Henry Stonecypher, Jr. SAR Chapter as an official Chapter of the Georgia Society of the Sons of the American Revolution. (photos bottom center & right), This important occasion marks another significant step in expanding the SAR mission throughout Georgia and ensuring that the legacy of our Revolutionary ancestors remains strong for future generations.

On August 21st, Atlanta Chapter President Gregory Smith, accompanied by Elizabeth Wysong, and Compatriot Jay McLendon, accompanied by Dot Mears, attended the Georgia Society Daughters of the American Revolution Fall Forum, "Stars Across Georgia," in Columbus, Georgia. (photo top right) Their participation reflects the continuing spirit of cooperation and fellowship between the Sons and Daughters of the American Revolution as we work together to preserve and promote the history and patriotic heritage of our great Nation.

The bill authorizing the license plate specifies that it will be in addition to the regular license plates and will be available from January 1, 2026.

For this tag there are no additional fees, unless you want to get one before your normal renewal.

It began with a “Shot Heard Around the World,” but what about the clandestine happenings: the plans, the missions, the intrigue, the inventions? What about the everyday people turned hero? Often, unsung heroes were the ones that would rather just live out life quietly afterwards.

Events of Warren County will be celebrating these men and the best place to start is literally in in our own backyard. Warren County is the last residence of **David Bushnell**, inventor of the **Turtle Submersible**.

He lived and worked in Warren County, going by the name of Doctor David Bush. He was a professor at the academy and was highly regarded. No one knew he was one of the few that worked alongside our founding fathers to defeat the British Navy.

Doctor David Bush was an academic and scholar, while David Bushnell was an inventor and patriot. Some feel that even in his later years he wasn't as unassuming as he seemed. In the end he passed away quietly in Warrenton and was buried in an unmarked grave. Only when the solicitor came to handle his belongings did the townsfolk realize that their beloved Dr. Bush was none other than

David Bushnell, compatriot of Lafayette, Washington, Jefferson and the others that helped to found our nation.

The inventor David Bushnell was the father of the first submarine used in battle, The Turtle. Named such because of its shape resembling two sea-turtle shells hooked together. The Turtle only saw one mission on September 6th, 1776. Although the mission was not completely successful, it did serve to shake up the British fleet enough to have them retreat out of the New York harbor.

Veterans Respect Activities

Our chapter has donated close to \$ 6,000.00 to the VA since this project began in early 2019 to purchase VA Canteen Coupon Books which patients can use in the canteen, coffee shop or cafeteria at the VAH, Decatur. These books will be distributed by the VA Volunteer Service at the hospital. **At each meeting there will be a jar marked "\$ for VA Canteen Coupon Books" to accept donations. Please look for it and contribute a dollar (or more).**

The role of the Veterans Respect Committee is to pursue opportunities to honor and recognize current service members and veterans of past service. A wide range of activities fall under this charge. Some examples are:

- hours served in the VA Hospital (VAH) Volunteer Service,
- visiting a veteran in a VAH, nursing home or private home,
- donating personal care items to a VAH or nursing home serving veterans,
- donating publications to a VAH,
- organizing an outing for one or more veterans,
- participating in a veteran's funeral as a participant, pallbearer, or attendee,
- attendance at Revolutionary War Veteran's Grave Marking,
- participating in placing flags or wreaths on veteran's graves.

We are aware that many of our Atlanta Chapter members have been involved in such activities, but we do not know the extent. We would like to gather information on such efforts. If you have been involved in any such activities since January 1, 2026, please report the details to our Chaplain John Titus.

Enjoy the SAR

Be sure to enjoy your time with the Sons of the American Revolution! Always make your patriotic service fun. We are here to honor our Patriot ancestors — and to have a good time doing it!
